SCHOOL

## Job Description

Job Title : Head of Computing and Digital Innovation  
Line Manager: Director of Studies

### Main Purpose of role

To be responsible for the attainment of the pupils studying within their department, be exemplary in professionalism and educational practice, acting as role models.

To promote a positive, purposeful and professional working environment that encourages learning, creativity, collaboration and supports all learners.

### Duties and Responsibilities

#### Objectives

- Encourage high standards in all aspects of school life, contributing to the effective and efficient management of the school and promotion of a school culture that is happy, purposeful and learning orientated
- Support and motivate pupils, teachers and other school employees, encouraging consultation and discussion
- Communicate effectively and proactively with parents
- Be responsible for supporting the work of subject teachers and making sure that all members of the Department work effectively
- Support the professional development of all staff within the department and promote a working atmosphere that values the contribution that individuals make to the work of the department
- Ensure the developments undertaken within the department support the School Development Plan and promotes the aims and values of the school.
- Be involved in the schools overall IT strategy and assist with its deployment as necessary
- Work closely with the IT Manager to support them in their role.

#### Overall Responsibilities

- Provide professional leadership and management for the subject to secure a high quality of teaching, effective use of resources and the highest standards of learning and achievement of all pupils.

- Play an active role in developing school policy through Heads of Department and Departmental Meetings
- Evaluate the effectiveness of teaching and learning of the subject's curriculum.
- Establish priorities and targets for the department's development and review their progress.
- Set targets for staff and pupils and monitor progress, within the context of school and departmental targets
- Understand the needs of their own subject and appreciate the way that other subjects contribute to the overall education of the pupils
- Efficiently and effectively carry out lesson observations and report back to the Director of Studies

#### Teaching and Learning

- Ensure that pupils have the highest possible standard of education in the subject
- Establish and implement clear policies and procedures for assessing, recording and reporting on pupil progress. Use this information to recognise achievement and set targets for future improvement.
- Ensure curriculum coverage, continuity and progression in the subject for all pupils of all abilities.
- Oversee effective planning, preparation and lesson delivery. Encourage cross-curricular links with other departments
- Keep up to date with changes within the subject curriculum and make recommendations to the Director of Studies about new courses and resources and professional development needs.
- Liaise with the form tutors, Heads of Section, learning development and gifted and talented as appropriate

#### Line Management Responsibilities

- Advise on the recruitment of new staff to the department, making them aware of their roles and responsibilities as subject teachers.
- Support the work of all staff and encourage an atmosphere of cooperation and mutual trust.
- Actively promote staff development by delegating responsibilities within the department. Encourage staff to develop by undertaking professional development opportunities and providing feedback within (and outside) the department.
- Make sure that all staff apply new technologies appropriately and in a way that promotes learning.
- Coordinate the purchase of resources for the department.
- Ensure appropriate cover work is set in the case of a department member's absence.
- Liaise with the Director of Studies regarding course outlines for curriculum booklets
- Write and review policy documents for the department

#### Other Responsibilities

- Undertake other reasonable duties as requested by a member of the Senior Leadership Team and any duties that the Headmaster deems necessary for the effective operation of the school

Subject specific skills to enhance school work to include

- Word processing
- Data handling and use of spreadsheets
- Presentation skills including presentation, video and audio
- Desktop publishing
- Search technologies and use of digital artefacts for a specific purpose

Graphics and Design

- Animation
- Photo and Video editing
- Digital art
- 2D and 3D design
- Web design including the use of HTML

Programming

- Block programming
- Textual programming
- Design, develop and debug programmes
- Game design
- Computational problem solving

Robotics

- Design and build simple robots
- Programme movement
- Use of sensors
- Problem solving

Electronics

- Understanding of simple circuits
- Programme LED's LDR and Motors

Computer Science

- Components of a computer
- Networks
- Communication

Hardware

Use a wide variety of hardware – for example

- Microbit
- Lego WeDo and Mindstorm
- Crumble
- Sensors
- Raspberry Pi
- 3D printer
- Laser cutter

Online Safety

- Use technology safely, respectfully and responsibly

Creative project work

- Combining many of the above

Additional

- Assist the Director of Studies as necessary with the setting up and printing of School reports and Assessment grades
- Assist the Director of Studies as necessary with the setting up and production of the school timetable
- Keep staff abreast of online safety issues and updates and pass on information to the Deputy Head
- Keep parents abreast of online safety issues and updates in liaison with the Deputy Head
- Assist as necessary with the schools MIS system
- Assist as necessary with schools online presence
- Run as necessary training for staff

Remote teaching

- It may be necessary to teach computing remotely for a variety of reason. Therefore the ability to adapt the curriculum to suit online learning is paramount. This teaching would most likely take the form of live lessons and be supported by handouts and videos as necessary.
